YOUR NEW CLICKER WILL BE MAILED TO YOU - FIRST CLASS MAIL.

NOTE: If this request is to replace a missing clicker and you have more than one clicker, please indicate the serial numbers of all other clickers in your possession. **It is mandatory that we get this information.** With this information we will be able to identify the lost or stolen clicker and deactivate it from the system before the new clicker is activated. The serial # is a five digit number, on the back of the clicker. Remember, if you programmed your vehicle Homelink feature with the missing clicker, you will have to reprogram the feature with the new clicker.

IT REQUIRES 72 HOURS TO ACTIVATE YOUR NEW CLICKER
